MEMORANDUM FOR: Chief, Technical Services Staff 19 February 1959

SUBJECT : Advisory Committees

REFERENCE : Memorandum for Deputy Directors and IG, dated
14 February 1959, from DCI, same subject.

1. Herewith is a paper that has been addressed to me by the DCI on the subject of advisory committees which is self-explanatory. I discussed this briefly in the DD/P Staff Meeting on 19 February and asked that all components of DD/P other than TSS submit to my office lists of advisory committees they make use of. I assume that TSS is the only component of the DD/P that makes major use of such organizations and am therefore transmitting this paper to you for your full information.

2. I would appreciate if you would prepare the report requested in paragraph 6 of the attachment for all advisory committee activities within your jurisdiction. A report on advisory committee activities in other DD/P components will be prepared by my office.

STAT

RICHARD M. BISSELL, JR.

Deputy Director
(Plans)
